## DEARBORN BASEBALL SPONSOR LETTER

Dear friend,

Dearborn Baseball has been teaching baseball to our city's youth for more than 30 years. Each year more than 1,000 boys and girls between the ages of four and 19 play baseball or softball in our league. Many children also participate in tournament play and travel games.

We are a non-profit organization operated by parents of children who participate in the league and other volunteers. The funds needed to operate our league come from application fees, private donations and local business sponsors. Each year we continue to grow and it is necessary to solicit contributions in order to insure that each child will have an opportunity to participate.

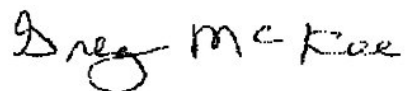

For \$250, our sponsors provide a team of players with quality jerseys, pants and caps. The sponsor's name and phone number are printed on the back of the jersey. To show our appreciation, sponsors receive a team photo on an imprinted plaque as well as free advertising space on our web site, <http://dearbornbaseballonline.com/>. Each season, our website draws more than 20,000 pageviews from your potential customers.

At Dearborn Baseball, we strive to develop sportsmanship and teamwork in our players. Our games encourage time together for hurried families and help develop self-esteem and physical fitness in our players. You can be part of our effort by sponsoring one or more teams in our league. It is a wonderful opportunity to enhance your business while making a tangible difference in your community.

Feel free to call with any questions. Please respond by April 1.

We greatly appreciate your support!

Sincerely,

Greg McKae
