

Attention Dearborn Baseball Parents, Coaches and Volunteers:

It's time to get ready for another season of Dearborn Baseball! This packet includes everything you need to sign your child up for baseball or softball.

The application deadline is April 1.

Any applications received after April 1 will be returned. Send your completed application, signed waiver and check to the address above. Include only one application packet per envelope. Indicate your child's league on the back of the envelope.

Applications, as well as standings, news and photos are available on our web site, <http://dearbornbaseballonline.com/>. Applications are also available at Dearborn's Ford Community & Performing Arts Center.

Answers to most application questions can be found on our web sites' application page or FAQ page. If you cannot find an answer to your question after searching the web site thoroughly, email Admin@dearbornbaseballonline.com. As a last result, you may contact the appropriate commissioner for your league.

Please fill out and mail your applications early. Space in this league is limited! Residents receive first priority.

League schedules will be determined at a later date. There will be no refunds issued after teams are selected. **Opening Day is June 5. All games will be complete before Aug. 1.**

If you are interested in coaching, check the appropriate box on the application.

We are always looking for sponsors. Fill out and return our sponsorship form if you are interested in sponsoring a team. Sponsors also receive free advertising space on our web site.

If you are interested in coaching or playing on a travel team indicate it on the application or contact Greg McKae. There will be an additional charge for travel.

We want to thank everyone who has donated their time to make Dearborn Baseball successful, including a special thanks to the City for its support and cooperation.
